

Hardware Buy-Back Scheme

Sell Your Old, Outdated or Unwanted Telecoms, Networking and IT Hardware to Horizone.

Why Sell Your Kit To Us?

Recently upgraded your networking equipment and need the old kit taken off your hands?

Got old handsets and headsets that are no longer in use?

Here at Horizone we ...

- Offer a repair and refurb service if you would like to extend the life of existing telecoms
- Provide a 24-hour turnaround for all quotes
- Dispose of any waste products according to the WEEE Directive
- Pay immediately on an invoice, direct to your bank account
- Offer fantastic prices
- Provide a de-installation and clearance service
